## About the Speakers 講者簡介

### **Mr Steven Kang, General Manager of UL Lighting Asia Pacific**

#### **UL-CCIC Company Limited**

蘇州 UL 美華認證有限公司 UL 照明事業部亞太區總經理 康敬琦先生

Steven Kang has more than 20 years of experience from world-class companies in Lighting industry. Before he took the role as the General Manager of UL Lighting Asia Pacific, Steven had ever worked in a global leading company of Lighting with different roles as General Manager of Global Solar Lighting System Business, Global Marketing Director for LED Drivers & Modules, and Global R&D Manager for Lighting Electronics products. He has a very deep insight on Lighting market globally from his comprehensive interaction and commercial exercises with lighting manufacturers and end users over the world. He is also very knowledgeable on lighting technologies from Lighting Components to Luminaire products, and then to Lighting Systems and Services which include Lighting Internet-of-Things based on intelligent controls and connectivity.

### **Dr Scott Wade, Technical & Certification Manager**

#### **Digital Illumination Interface Alliance (DiiA)**

Scott Wade has been Technical & Certification Manager for DiiA, and previously the DALI working group, since August 2013. He developed and implemented the DALI-2 certification program on behalf of DiiA. For around 14 years, he has been an industry expert member of the IEC 62386 standardisation team. Prior to DiiA/DALI, Dr. Wade was NPI Director for Electronics and Systems at Honeywell ED&S, and prior to that was at Helvar, most recently as R&D Manager for Lighting Controls. Dr. Wade holds a Ph.D. in Power Electronics, and an M.Eng. in Electrical and Electronic Engineering.

### **Mr Karl Lau, EMC Manager, DEKRA Certification Hong Kong Limited**

德凱認證(香港)有限公司 EMC 經理 劉家豪先生

Karl Lau has played a key role in the industry of Assurance, Testing, Inspection and Certification, particularly in providing professional expertise consultancy service for EMC & Radio Frequency compliance of consumer electrical and electronic devices in Hong Kong contributing more than 18 years of experience in product testing and certification.
